But the Assistant Engineer has not maintained the required Quality Control Register and not got test check measured the pre and final levels by the Quality control authorities.

The Assistant Engineer has also executed the work in RMS Section Kurpam for Restoration of Jagannadhasagaram Tank of Parajapadu (V) in Jiyyammavalasa Mandal during 1998-1999 for Est. Sanyasi Rao the then Executive Engineer (now retired). The Assistant Engineer has also taken pre-levels and final levels and recorded in L.F. Book No.1K Kudam (V). But the levels were not got test checked by the Quality Control authorities.

Because of failure in maintaining the statutory Register by Assistant Engineer the quality control authorities have denied to issue Quality Control certificate, which resulted in non-payment of final bills to W.U.A. President and led to judicial scrutiny thrust upon the department.

Thus the department has to face an embarrassing situation. This shows the mis-conduct and mis-behavior of the Assistant Engineer in discharging his official duties.
